MEMORANDUM FOR: Chief, PL/PS

SUBJECT: NE Division Comments on Draft, Parts One and Three
of the OPC Strategic Plan

The subject draft impresses us as a clear and comprehensive delineation of policy (Annex A) and plans, obviously representing an excellent staff effort. The only suggestions we have are of a rather minor nature and consist of the following:

a. Possible corrections in the form and structure of the paper itself presumably will be taken care of in the final revision and do not merit further comment.

b. We should like to point out a few secondary inconsistencies and/or omissions, with suggestions for their correction:
